PROGRAMS

at Sacramento Children's Museum

Weekly Programs

Tiny Tuesday - Join us every Tuesday for programming geared toward out littlest visitors!

STEM Activity - S.T.E.M stands for Science, Technology, Engineering, and Mathematics, representing an educational approach that integrates these four disciplines to foster innovation, critical thinking, and problem-solving skills! Join us weekly for pop-up activities that highlight these foundational skills. **STEM pop-up activities are generously sponsored by CA American Water**!

Storytime - Come take part in *Storytime* featuring books from our extensive collection! You never know what's in store.

Cultural Connections - Explore cultural celebrations, games, important people and more with themed activities or crafts.

Music Fun/Toddler Tunes - Join us for singing & playing music, dancing & movement, or creating musical art!

Art Pop Up/Little Artists - This interactive pop-up explores different types of art styles!

Nature Explorers - Nurture your love for nature through bee talks, themed activities and crafts, gardening, and nature walks!

Tinker Time/Tinker Tots - Build, design, and solve engineering challenges in this fun, hands-on pop-up activity!

Active Play - Take part in energetic movement and full-body engagement, allowing children to develop motor skills, coordination, and overall fitness!
