

# EGYPT Lessons

## Lesson 1: Nile River

Learn about the Nile River! Explore the sights and wonders of Egypt along the Nile River. Then discover why the Nile River was important to ancient Egyptians, and make papyrus-like paper.

## Lesson 2: Egyptian Hieroglyphs

Discover the ancient Egyptians' writing system! Learn about how the ancient Egyptians used hieroglyphs to write words. Then read a story featuring hieroglyphs, and write on papyrus-like paper.

## Lesson 3: Mummies & Pyramids

Learn about mummies and pyramids! See how fast you can wrap each other up like a mummy and how long it takes you to build a pyramid.

## Lesson 4: Sacred Animals

Discover two ancient Egyptian sacred animals! Learn why the cat and scarab beetle were considered very important to the ancient Egyptian culture. Then create an amulet in the design of a scarab beetle.

## Lesson 5: Sahara Desert

Explore the Sahara Desert! Learn some facts about the largest hot desert in the world. Then use colored sand to create sand art!
