PROGRAMS

at Sacramento Children's Museum

Weekly Programs

Tiny Tots - For those 24 months and under, join us for toddler story time, music fun, and more!

STEM Activity - Science comes alive in our STEM activities! Learn and play while using foundational science skills.

Storytime - Come take part in *Storytime* featuring books from our extensive collection! You never know what's in store.

Cultural Connections - Explore cultural celebrations, games, important people and more!

Music Fun - Join us for singing & playing music, dancing & movement, or creating musical art!

Art Pop Up - This interactive pop-up explores different types of art styles!

Nature Explorers - Nurture your love for nature through bee talks, themed activities, gardening, and nature walks! **Supported by the Whole Foods Market Community Giving Program.**

Tinker Time - Build, design, and solve engineering challenges in this fun, hands-on pop-up activity!

Yoga Play - Using games and play, we explore posture, balance, and breath in this active pop-up. Move your body and learn new poses!

Active Play - Take part in energetic movement and full-body engagement, allowing children to develop motor skills, coordination, and overall fitness!
