# PROGRAMS

at Sacramento Children's Museum

## Weekly Programs

**Tiny Tots** - For those 24 months and under, join us for toddler story time, music fun, and more!

**STEM Activity** - STEM stands for Science, Technology, Engineering, and Mathematics, representing an educational approach that integrates these four disciplines to foster innovation, critical thinking, and problem-solving skills! Join us weekly for pop-up activities that highlight these foundational skills.

**Storytime** - Come take part in *Storytime* featuring books from our extensive collection! You never know what's in store.

**Cultural Connections** - Explore cultural celebrations, games, important people and more with themed activities or crafts!

**Music Fun** - Join us for singing & playing music, dancing & movement, or creating musical art!

**Art Pop Up** - This interactive pop-up explores different types of art styles!

**Nature Explorers** - Nurture your love for nature through bee talks, themed activities and crafts, gardening, and nature walks!

**Tinker Time** - Build, design, and solve engineering challenges in this fun, hands-on pop-up activity!

**Active Play** - Take part in energetic movement and full-body engagement, allowing children to develop motor skills, coordination, and overall fitness!

## Special Events

**Pop Into S.T.E.M** - April 2<sup>nd</sup> - Pop in all day for themed programming that explores all things science, technology, engineering, and math!

**Sensory Friendly Play** - April 6<sup>th</sup> - 10am to 11:30pm - Sensory play is a fully accessible, low-cost program for children with sensory and/or special needs, their siblings, and their friends. To join us for our next session, register at [Sackids.org](http://Sackids.org)!

**Dogs With Jobs** - April 11<sup>th</sup> - 10am - 11:30am - This special event highlights different types of working dogs and the important roles they play in our community. Join us for this FREE outdoor event and meet comfort dogs, police k9s, service dogs, and more! Please note: Registration is required and does not include museum admission.

**Earth Day** - April 22<sup>nd</sup> - Earth Day is an annual event celebrated worldwide to demonstrate support for environmental protection and appreciation. Join us all day as we celebrate Earth Day with themed programming and activities.

**Photography Month Pop Up** - April is Photography Month in Sacramento County! Join every Tuesday this month at 1:30pm for a special themed pop-up activity that explores the art and science of photography. \*All activities are included with museum admission, no per-registration required.

### Become a Member Today!

Members get more at SCM! Join us for member-only hours, exclusive events, museum store discounts, and reciprocal benefits through the Association of Children's Museums Reciprocal Network and the Association of Science-Technology Centers Passport Program!
