PROGRAMS

at Sacramento Children's Museum

Weekly Programs

Tiny Tots - For those 24 months and under, join us for toddler story time, music fun, and more!

S.T.E.M Activity - S.T.E.M stands for Science, Technology, Engineering, and Mathematics, representing an educational approach that integrates these four disciplines to foster innovation, critical thinking, and problem-solving skills! Join us weekly for pop-up activities that highlight these foundational skills.

Storytime - Come take part in *Storytime* featuring books from our extensive collection! You never know what's in store.

Cultural Connections - Explore cultural celebrations, games, important people and more with themed activities or crafts.

Music Fun - Join us for singing & playing music, dancing & movement, or creating musical art!

Art Pop Up - This interactive pop-up explores different types of art styles!

Nature Explorers - Nurture your love for nature through bee talks, themed activities and crafts, gardening, and nature walks!

Tinker Time - Build, design, and solve engineering challenges in this fun, hands-on pop-up activity!

Active Play - Take part in energetic movement and full-body engagement, allowing children to develop motor skills, coordination, and overall fitness!

Special Events

Sacramento Children's Museum Birthday Celebration - August 1st - Join us all day as we celebrate 15 years of play with birthday-themed pop-ups and fun. All activities are included in admission, no reservations required. Members only: joins us early during member hour (9am-10am) for donuts and hot cocoa!

Sensory Friendly Play - August 3rd, 10am to 11:30pm & August 20th, 3:30p to 5pm - Sensory play is a fully accessible, low-cost program for children with sensory and/or special needs, their families, and their friends. To join us for our next session, register at Sackids.org!

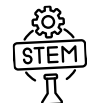

School Readiness - Wednesday, 8/5 & 8/12 at 10:45am - Prepare for school at the Sacramento Children's Museum! Kids from 3-5 years old who are preparing for TK or Preschool will engage in activities to help develop and strengthen fine motor and social-emotional skills. Along with in-class activities, we will also provide a take-home workbook for kids and caregivers.

Pop Into STEM! - Saturday, 8/8 from 10am to 3pm - Are you ready to be a scientist? Spark curiosity and innovation at Pop Into S.T.E.M. Day! This engaging, hands-on day-long event invites learners to explore the wonders of Science, Technology, Engineering, and Math with hands-on activities and experiments all day long. Reservations not required, all activities included with admission.

Sock Skating at SCM - 8/18 through 8/31 - Escape the heat in a playful way, experience the joy of gliding and sliding, reminiscent of ice skating, at our fun and accessible indoor faux "ice" rink! Sock Skating is included with Museum admission, no reservations required.

Mess Fest - 8/29 from 4:30pm to 6pm - Dress for the mess and get ready to be wet, sticky, gooey, and dirty—wear a swimsuit or play clothes, rain boots work too! We can't wait to see you at this fun, interactive event. Scan here or visit Sackids.org for more info and to register!

Tiny Tot Tuesday - Every Tuesday - Every Tuesday through the end of the year join us for all-day programming geared towards toddlers 24 months and younger—and as special treat our littlest visitors will get FREE admission!
